

Strategic Purchaser

Norit Südmö is part of the Norit Group that is active on the international scene. We employ 300 persons at our Riesbürg, Germany location with performance ranging from manufacturing world-class stainless steel fittings to building fully automatic production plants for the beverage, foodstuffs and pharmaceutical industries.

If you are a team player who appreciates lean structures and uncomplicated decision-making processes and are seeking a position at a company active in the global environment, we are just right for you.

Your duties will be:

- Drawing up queries and selecting vendors
- Obtaining, examining and analysing quotations
- Formulating contracts
- Conducting contract and supplementary negotiations in an international environment
- Global vendor management including qualifying and developing vendors
- Drawing up procurement market analyses
- supporting the purchasing processes in procurement handling
- providing support in formulating purchasing strategies

The skills you have:

- A commercial or technical degree or comparable college-level training
- Longstanding professional experience in this field, ideally in component or plant engineering
- High level of engineering comprehension
- Mastery of the common MS Office products such as Word, Excel and Outlook
- Solid English negotiating skills, where a command of other languages is a plus

The successful candidate will have excellent communication skills and a confident and assertive personality. You keep a cool head with a smile even in hectic situations. In spite of your dynamic personality, you have reliable, precise and autonomous working habits along with a high level of dedication.

We have a dynamic environment to offer you where working creatively is fun, where performance is not only in demand but also encouraged and where professional prospects are in the offing.

If you have the right qualifications and background, please send us your complete application documents and salary expectations along with the earliest date when you can start (by email wherever possible).
